### KEEP AWAKE, BECAUSE YOU DO NOT KNOW WHEN JESUS WILL COME AGAIN.

Jesus, in the Gospel is teaching us to 'watch' for his return, in other words, the 'Second Coming'. How often do you think or pray for this time. Most of us do not, but we should. The return of the King is every Christian's hope and in this hope we live and take our stand.

November is traditionally the month when the Church invites us to consider the last things - death, judgement, heaven and hell. The return of Christ or the parousia, is a vital truth of our faith. We need to pray for it and long for it; perhaps our praying for the 'Second Coming' of Jesus will usher it in. If we live as if the Lord could return today, we would live differently, wouldn't we?

If Jesus comes suddenly, do not let him find you sleeping. What I say to you, I say to everyone - keep alert and watch.

DEACON TERRY
