HE MUST RISE FROM THE DEAD.

It was always the Father's will to raise his Son out of death in order to destroy the power of death and to impart new life to us. 'For God so loved the world that he sent his only Son, that whoever believes in him should not perish but have eternal life (John 3:16). Jesus' resurrection testifies to the promise of a new humility, a new creation, radiant with the glory, power and beauty of God. The basis of Easter rejoicing and happiness is that through the grace of our baptism, we are immersed into Jesus' death and resurrection and become partakers in his divine life, the life of the resurrection. "Jesus Christ is risen today. Alleluia Alleluia". He is the Alpha and Omega, the Beginning and the End. He is the Lord of life and he will live forever.
