Dear Parishioners,

As you all know that the Government has updated its response roadmap for the easing of COVID-19 restrictions to combat the virus. Following the Government's update, the Catholic Bishop's Conference of England and Wales has prepared a general guidance for all the parishes or place of worship.

The following are the General Guidance:

- At the moment, we are requested to continue sanitising hands on entry and exit.
- Taking Names for Track and Trace purposes.
- Keep Social distancing – at Holy Name 2 metres- all the time when you are in Church for Mass and other Liturgical Services.
- At Holy Name the Covid-Secure capacity is 80 Households.
- Holy Water Stoups are not permitted.
- Congregational Singing is still prohibited. However, the parish choir (no more than 6 people) is allowed to sing for the Masses.
- Holy Communion will continue to be under one kind only and the minister should wear a face covering. It is now permitted to announce "The Body of Christ" for each Communicant. The minister should sanitise his/her hands before and after distributing communion.
- Home Visits can now take place by Priests, Deacons, Extraordinary Ministers of Holy Communion and other volunteers. They are requested to follow the Government Guidance.
- Prayer Groups, Catechetical and Faith Formation groups can now resume their activities in church, the centre or in the office.

Finally, the capacity for Requiem Masses and Funeral Services will be the Covid-secure capacity of the church which is 80 households at Holy Name.

MARRIAGE CARE

“The earth is filled with harmony and trust when the alliance between man and woman is lived well.” Pope Francis

At Marriage Care we believe that men and women from all walks of life catch a glimpse of something beautiful, hopeful and divine, in the possibilities of marriage and family life. It is a place where the Lord can strengthen the couple's lives.

Our marriage preparation and support service enable couples to nurture faithful and fruitful marriages that last, as we draw on Catholic teaching and contemporary research to help couples focus on the quality of their relationship with each other.

Our latest resource, Preparing Together Anywhere, is facilitated by two trained volunteers via webcam. Groups of up to 7 engaged couples attend three 90-minute sessions over a period of 3 weeks, with additional resources to enable couples to reflect more deeply in between the sessions on the commitment being entered into. Wedding plans may be on hold for some time, but couples need not put their preparation for marriage on hold.

Through our relationship counselling service (now available via webcam), we accompany, with compassion and practical wisdom, couples who find themselves in need of support on their journey. Because of the Coronavirus pandemic, we know that increases in family stress and the impending threat of relationship breakdown will plunge many more into financial difficulties. We are unique in asking couples who come to us for counselling only to pay what they can afford, reflecting our commitment to support those most in need. Please encourage couples to connect with us today at www.marriagecare.org.uk
